C HARACTERS

STAGE 1

Bask, whose power is nowhere near that of Ken's, is his first opponent and offers Ken a good chance to prove himself capable of defeating his enemies. Bask attacks with the Kazan Prison Clenching Claws as his weapon and jumps, but his moves are slow compared to other enemies. You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 2

Gayler is a hideous, fat man whose supernatural power allows him to shoot Smokeballs and Fireballs. His supernatural power is his specialized attack, which is called "Illusion Spinning." You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 3

Tiger, one of the Big Four Generals of Gento, is the evil ruler of the concentration camp for people who he considers Traitors. Tiger is called "Green Light General" because of his green-colored armor. His weapons are the White Light Bombs and a deadly kick. You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 4

Solia, is called "Purple Light Solia" because of his purple colored armor. You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 5

"Blue Light Bolts," one of the Big Four Generals of Gento is very aggressive and his excellent concentration allows to him to shoot successive blasts of White Light Bombs (three bombs per blast). You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 6

Like Ken, "Red Light Bronza" can also use the ultimate fighting method, "Gento Karate" and at the same time fire "White Light Bombs." He is very dangerous, so use extreme care. You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 7

A master of Gento Karate, the most powerful fighting method, which boasts a history of 2,000 years, "Gold Falco" is one of Ken's most fearful enemies. His weapons are Gento Karate, plus "White Light Bombs" and a deadly sliding kick. You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

STAGE 8

A fighter from a nation constantly at war, Shula has survived many fierce and bloody battles. The main reason for his survival is a deadly sliding kick which he executes with the precision of a well-oiled machine. You can score 10,000 points by knocking him down and 50,000 points by finding and hitting his weakest point.

COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna
- Relocate the NES with respect to the receiver
- Move the NES away from the receiver
- Plug the NES into a different outlet so that computer and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communications Commission helpful:
